As your bio-electrical system **reawakens** and **microcirculation** improves, your blood and cells begin flowing freely again... carrying **energy**, **nutrients**, and what many call the body's **Life Force**—giving your body exactly what it needs to repair, recover, and thrive.

*I love the full-body health benefits of using OlyLife daily! Let's chat! ~Dani*

## POWERFUL HEALING Starts at Your Feet and Reaches Every Part of You

PEMF + Terahertz Energy helps support your body's **natural communication** from the ground up.

**STIMULATES NERVE ENDINGS**  
Thousands of nerve endings in your feet send signals that travel to your brain and throughout your entire body.

**SUPPORTS BRAIN CONNECTION**  
Encourages clearer communication between your feet, spinal cord, and brain for better coordination, balance and awareness.

**IMPROVES BALANCE & STABILITY**  
Helps your body stay aligned, responsive and steady in everyday movement.

**SUPPORTS CIRCULATION & NERVE HEALTH**  
PEMF may help support nerve function and microcirculation, key factors in overall wellness.

**BRAIN**  
Clearer signals, better connection

**SPINAL CORD**  
Stronger communication superhighway

**NERVES**  
Efficient signal transport

**FEET**  
Thousands of nerve endings activated

## The Power of Two Therapies

- ❖ Experience the power of **both** PEMF therapy and Terahertz wave technology from **one** device.
- ❖ Using the **P90** is **simple and convenient** — just place your feet on the device for 10–15 minutes once or twice a day (no more than 30 minutes), and let it naturally **energize your cells** and **support your body's healing process**.

**Safety:** PEMF and Terahertz wave therapies are non-invasive, safe, and do not use harmful radiation—just **natural energy** to support your body's **bio-electrical processes** (e.g., brain waves, nerve signals, etc).
